

Steeton Court
Nursing Home

Steeton Court Nursing Home is a family-owned Nursing Home located in Steeton, Keighley.

Located in a peaceful leafy residential suburb, surrounded by beautiful gardens with trees and wildlife whilst having excellent facilities.

A truly wonderful place combining traditional local stone-built style with the modern convenience and facilities of a purpose-built nursing home.

Steeton Court pride themselves on putting residents needs first whilst striving to create the best environment possible to enable their highly trained staff to care for resident's needs. Moving into a care home can feel like a big change and their aim has always been to support all residents and their families to make this transition as comfortable as possible. Residents are encouraged to personalise their rooms and make it feel like a home from home.

The Home takes great care to get to know residents straight away, understanding their background, likes and needs and all residents have their own personalised care plan.

Our Home

The Home has four community areas – Heathcliffe, Emily, Branwell and Charlotte. In these communities, we can accommodate 63 residents in general nursing beds and a dedicated memory lane community for residents living with Dementia. Our units are designed to create a safe and positive environment for our residents. All our bedrooms have en-suite facilities and are stylishly decorated. Our communal areas are light and spacious, designed with comfort and social interaction in mind.

We are rated 'Good' by the Care Quality Commission (CQC).

Dining

The Home prides itself on offering exceptional food, using local suppliers and chefs on-site cooking all meals from scratch to a high standard. All food is nutritious and adjusted to residents tastes and needs.

Our Team

Belinda is the Registered Home Manager at Steeton Court Nursing Home, and joined in September 2019, after a nursing career within the NHS and care homes for over 45 years, providing services for people with general nursing needs as well as those living with dementia.

She is responsible for the overall management of the home, ensuring the delivery of person-centred care/support services, that promotes independence, choice, and dignity to empower our residents to continue a quality of life. She also ensures the environment is safe and comfortable, ensuring the health and welfare for our residents, the staff team, and visitors.

Daily life

We have two Activity Coordinators who organise an activity programme for our residents. This varied programme helps to keep residents engaged and supports their well-being. Activities include music, reminiscence and sensory, as well as marking specific dates in the calendar with arts and crafts, special menus and celebrations. We have a dedicated hairdressing salon for residents to enjoy hairdressing and beauty treatments as they wish. We also spend time engaging in one-to-one time with each resident.

About Us

Spellman Care Homes is a family-run business, which has been operating nursing and residential homes in the local area for over 30 years. There are four homes within the group. All four homes are proud to be rated as 'Good' by the Care Quality Commission (CQC). The other homes in the group are Ghyll Royd Nursing Home, Guiseley; Craven Nursing Home, Skipton and Springbank Care Home, Silsden.
