## Care

We offer a variety of care services tailored to your individual needs, including general residential care, dementia care & short break/respice care.

Getting to know our residents is the key to our person-centred approach to care. Life story work with a designated Key Worker

enables us to develop an individual care plan for each resident. For those who require assistance with medication, we have a carefully controlled system to safely manage and review the use of medication, whilst promoting independence. Our experienced, discreet care staff are on hand 24 hours a day to assist as required.

## Our Home

The original house was built in 1875 by local textile magnate George Jacques. Springbank was originally a family home with stables, tennis courts and large formal gardens. The style of the house has remained traditional and Victorian. We have further enhanced the interior with stylish modern décor that creates a calm, peaceful and elegant environment. All of our bedrooms have en-suite facilities and are stylishly decorated with a high-quality finish.

## Dining

With a choice of dining areas, our residents can relax and enjoy their dining experience. Our residents can expect a varied menu of freshly prepared, nutritious dishes created daily by our chefs. Personal tastes, special requirements and cultural preferences can all be catered for.

## Daily life

Daily life is as eventful or as restful as you choose, according to your own personal routine. We actively encourage residents to join in on our varied activities programme and always strive to assist them in pursuing ongoing and new interests. We extend a warm welcome to family and friends to visit at any

time, attend special events and be a part of the Home. Residents are welcome to relax in the beautiful gardens or explore the local area with our dedicated minibuss & driver.

My mother has been a resident at Springbank in Silsden since August 2022 and has been treated extremely well. Her age is 96 and has dementia. Care at home was becoming unsafe and this care home is wonderful. The level of care and attention especially in respect of personality and character and comfort is excellent. The staff are kind and empathetic and always available to speak to. Springbank is a blessing to me and my family, to know that mum is safe and happy is priceless.

My 94-year-old mum came to Springbank Care Home from the hospital after a fracture initially for respite. The home has a lovely atmosphere, the staff are welcoming and cheerful (we are always greeted with a smile) and have helped her to become mobile again. With their encouragement, she goes to the dining room for meals and joins in the many activities on offer in the home and even down to the local chapel hall for bingo! All the staff from carers, kitchen, laundry and management are very approachable and any queries are quickly dealt with and we are kept informed. Mum's room is always clean and warm.
