Kindness | Dignity | Compassion

Steeton Court prides itself on putting residents' needs first whilst striving to create the best environment possible to enable its highly trained staff to care for residents' needs. Moving into a care home can feel like a big change and their aim has always been to support all residents and their families to make this transition as comfortable as possible. Residents are encouraged to personalise their rooms and make it feel like a

home from home. The Home takes great care to get to know residents straight away, understanding their background, likes and needs and all residents have their own personalised care plan.

Our Home

The Home has four community areas – Heathcliffe, Emily, Branwell and Charlotte. In these communities, we can accommodate 63 residents in general nursing beds, with a dedicated memory lane community for residents living with Dementia. Our communities are designed to create a safe and positive environment for our residents. All our bedrooms have en-suite facilities and are stylishly decorated. Our communal areas are light and spacious, designed with comfort and social interaction in mind. We are rated 'Good' by the Care Quality Commission (CQC).

Dining

The Home prides itself on offering exceptional food, using local suppliers and on-site chefs, to cook all meals from scratch and to a high standard. All food is nutritious and adjusted to residents' tastes and needs.

Daily life

We have two Activities Coordinators who design a full programme of activities and events to suit our residents' needs. Residents can take part in as little or as much as they want to within the home. Every week, we have sessions for hairdressing and beauty to ensure that our residents can enjoy a pamper

within our purpose-built salon. Other activities which our residents enjoy include poetry, arts and crafts, knitting, board games, quizzes and gardening. In addition, we have a dedicated minibus & driver, allowing residents to go on trips and attend external activities regularly.

About Spellman Care

Spellman Care is a family-run business, which has been operating nursing and residential homes in the local area for over 30 years. There are four homes within the group. All four homes are proud to be rated as 'Good' by the Care Quality Commission (CQC). Our other homes can be seen below.

“

We moved our mum to Steeton Court just over a year ago after several years of living in a home run by a large chain. What a wonderful place Steeton Court is, with amazing, caring, committed and professional staff. The change in Mum was incredible. The high level of staffing is a huge positive, enabling personalised care for each resident. Under excellent management, training is regularly updated, and there is a real understanding of dementia care. Food is freshly cooked, and residents genuinely have a choice. Those with a reduced appetite are tempted by little plates of titbits. Activities are well planned, catering to individual interests as well as seasonal or spontaneous (ice cream on the patio when the sun shines!). My mum preferred to be in her own room, so someone regularly sat with her and read poetry.

I cannot recommend Steeton Court highly enough. It is clean, smart and attractively decorated. However, the real quality is in the staff and the excellent level of care.
