Kindness | Dignity | Compassion

Ghyll Royd prides itself on putting residents' needs first whilst striving to create the best environment possible to enable its highly trained staff to care for residents' needs. Moving into a care home can feel like a big change and their aim has always been to support all residents and their families to make this transition as comfortable as possible. Residents are encouraged to personalise their rooms and make it feel like a

home from home. The Home takes great care to get to know residents straight away, understanding their background, likes and needs and all residents have their own personalised care plan.

Our Home

We have four communities at Ghyll Royd Care Home; Willow, Rowan, Beech and Blossom. Each offers either Nursing, Dementia Nursing or Residential care.

Each area is designed to create a safe and positive environment for our residents.

All our bedrooms have en-suite facilities and are stylishly decorated with a high-quality finish. Our communal areas are light and spacious, designed with comfort and social interaction in mind.

Dining

The Home prides itself on offering exceptional food, using local suppliers and on-site chefs to cook all meals from scratch and to a high standard. All food is nutritious and adjusted to residents' tastes and needs.

Daily life

We have four Activity Coordinators who design a full programme of activities and events to suit our residents' needs. Residents can take part in as little or as much as they want to within the home. Every week, we have sessions for hairdressing and beauty to ensure that our residents can enjoy a pamper

within our purpose-built salon. Other activities which our residents enjoy include poetry, arts and crafts, knitting, board games, quizzes and gardening. In addition, we have a dedicated minibus & driver, allowing residents to go on trips and attend external activities regularly.

The care my husband received has been excellent. He was treated with kindness and respect throughout his ten-week stay. From management to housekeeping, I cannot fault the care. Simple things matter, and everyone, as they passed the door, smiled at him and said "hello", even though he couldn't reply due to a stroke. On his final day, I was there all day, and everyone came to see him that worked on that floor and treated him with the utmost respect on his passing. Thank you.

My mother was in Ghyll Royd Care Home for palliative care and was only there for a week but throughout that time, all the staff were very kind and respectful in all their dealings with Mum. Very attentive to her every need, ensuring she was comfortable and not distressed. The rooms are very pleasant and the communal areas are very good. I would like to thank the staff for their empathy and kindness to us all as a family when Mum passed.
