A poster for 'THE SPELLMAN CARE VETERANS CAFES'. The background is dark blue with purple diagonal stripes. At the top, there are white silhouettes of a biplane and a propeller plane flying over clouds. The Spellman Care logo, featuring a green leaf inside a white circle, is positioned in the upper center. Below the logo, the words 'VETERANS CAFES' are written in large, bold, white capital letters. A red banner at the bottom left contains the text '2PM - 3.30PM' in white. Below the banner, the dates and locations of the cafes are listed: '27th May: Steeton Court Nursing Home', '19th June: Ghyll Royd Care Home, Guiseley', '25th July: Springbank Care Home, Silsden', and '30th August: Craven Nursing Home, Skipton'. To the right of the dates, there are three circular logos: the 'ARMED FORCES FESTIVAL LEEDS' logo, a 'care home open week' logo, and a 'we are a Veteran Friendly CARE HOME' logo. At the bottom right, there are three white silhouettes of biplanes flying upwards. The text 'Delightful conversation accompanied by food and drink' is written in white at the bottom left.

HANDBAGS, HANDBAGS, HANDBAGS!

JUNE SUMMARY

www.spellmancare.co.uk

A huge thank you to everyone who generously donated to the Love Grace Appeal. Your contributions of handbags will provide comfort and hope to women escaping domestic abuse. These donations were delivered to a women's refuge in Peterlee shortly after the collection closed.

JUNE SUMMARY

OPEN WEEK & SOLAR PANELS

Care Home Open Week was a fantastic success! Our VFF Café at Ghyll Royd Care Home was a huge hit, with residents enjoying lively conversations and even sharing their positive experiences with BBC Radio Leeds. It was wonderful to see so many of you connect and socialise.

The sun is shining, and we're incredibly pleased to say that shortly we'll be making the most

of it at Craven Nursing Home with our brand new solar panels! Work began last month on installing the new solar panels. This is a huge step forward in our commitment to sustainability and environmental responsibility, following in the footsteps of Ghyll Royd Care Home. Once installed, our new solar panels are estimated to generate around 45,000 kWh of clean, renewable energy each year! This will significantly reduce our carbon footprint and help us create an even greener future for our residents and the planet. We're excited about the positive impact this will have on both our environmental efforts and potential cost savings, which can be reinvested directly into enhancing resident care and facilities. Stay tuned for more updates as the installation progresses!

JUNE SUMMARY

THE GOLD STANDARD FRAMEWORK

Last month we also marked a significant day as we had our much-anticipated Gold Standards Framework (GSF) accreditation visit. This was a proud moment for all of us as we reflected on the incredible work our team has done over the past 12 months. Their dedication ensures compassionate, high-quality care for residents, especially those approaching the end of life and beyond. Thank you to every team member who contributed – your commitment truly shines through.
